

## DEBT RECOVERY SOLUTIONS THAT WORK FOR YOUR BUSINESS

Unpaid invoices can affect even the most efficient and organized of businesses. By outsourcing your debt recovery to us, you can focus on running your business while we act quickly and professionally to minimise the impact of late payment and bad debts.

Our debt recovery legal team deals with both disputed and non-disputed money claims. We are experienced in the recovery of private and commercial debts for businesses of all sizes.

We will work with you to quickly and efficiently pursue any claims against debtors.

## Debt Recovery Solutions

### SERVICES AVAILABLE

#### COMMERCIAL DEBT RECOVERY

Our professional and direct Business to Business approach to commercial debt recovery is entirely flexible and tailored to our clients' specific requirements. We therefore provide various pre- and post-legal debt recovery solutions and employ a variety of innovative collection techniques which delivers results and sees our recovery with a high success rate for all undisputed debts.

Our services include:

- Letter Before Action
- Late Payment Demands
- One-off or Ongoing Debt Recovery
- Statutory Demands
- Winding-up Applications

#### PRIVATE & CONSUMER DEBT RECOVERY

We understand that chasing overdue payments, unpaid accounts, rent arrears etc is detrimental to your daily business activities, causes frustration and furthermore can dramatically reduce your cash flow.

Our legal team members are able to assist you with any type of private debt and ensure that the maximum potential of a successful recovery is reached.
